Judge Rumbaugh set the Parenting Plan in a way
that will help to protect myself William J Chandler and my
children from further abuse by Kimberley A Chandler
with coaching and abuse by CPS.

The court also knows that if Miss Chandler were to move
to Idaho with my children she will get a protection order
with more false allegation's and further alienate me from my children.

There is ample proof of this in all court documents
and the court transcripts

Conclusion

Please leave the parenting plan the way it is
all pertinent evidence was seen and heard in trial.

the counseling is going good and things are coming out
in counseling that need to be addressed in counseling that
are finally being addressed.

My two younger children are doing so much better
and we are finally getting a strong bond again after
being separated for over one and a half years this time.
